Case No. 10-CR-10159-PBS

JOINT INTERIM STATUS REPORT

Pursuant to Local Rule 116.5(a), the parties hereby file the following joint interim status report prepared in connection with the interim status conference scheduled for January 10, 2024. The parties also request that the January 10, 2024 status conference remain on the Court's calendar so that defense counsel will have an opportunity to meet with the client. The parties further request that another interim status conference be calendared at the Court's convenience in approximately 60 days.

(1) Automatic Discovery/Pending Discovery Requests

The government provided the defense with the case file inventory, which listed 45 separate boxes of materials that were sent to archival storage. The government shall make any and all automatic discovery available for inspection by defense counsel at defense counsel's request and at a mutually convenient time for the parties.

(2) Additional Discovery

The government is aware of its ongoing obligation to produce additional discovery. The government shall make all such discovery available to the defense in accordance with Local Rule 116.1(c).

(3) Timing of Additional Discovery Requests

The defendant shall evaluate the need for any additional requests.

(4) Protective Orders

All parties jointly agree to abide by any existing Protective Orders in this case.

(5) Pretrial Motions

The defendant has not yet determined whether and what pretrial motions will be filed pursuant to Rule 12(b).

(6) Expert Discovery

To the extent there are experts, the parties propose that the government make expert disclosures approximately 45 days before the final trial date set by the District Court, and the defendant make expert disclosures approximately 30 days before such date.

(7) Defenses of Insanity, Public Authority, or Alibi

The parties request that the time be excluded from January 10, 2024 through the date of the next status conference.
